

## PORTABLE DOOR BREAKING KIT (FOUR)

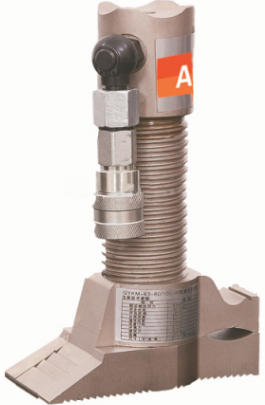

Portable Door Breaking Kit is mainly used for breaking of roller shutter door, security door under special circumstances. This portable Door Break Kit includes hydraulic hand pump, door opener, spreader, crowbar and pipeline.

Application: Portable Door Breaking Kit is mainly used for breaking of roller shutter door, security door under special circumstances.

Features: Portable Door Breaking Kit is characterized of Light weight, high efficiency and easy operation main hydraulic tools can be operated by hand operated.
